دوازدهم . درس دوم . پاراگراف .

الف. در پاراگراف های زیر Topic Sentence خط بکشید و دور Topic Word دایره بکشید.

1. The Edinburgh Festival Fringe is the largest arts festival in the world. It takes place every August for three weeks in Edinburgh, Scotland's capital city.

2. Every year thousands of shows take place and there is something for everyone. There are very famous performers in the world of entertainment and unknown artists just starting their careers. Shows include theatre, comedy, dance, music, exhibitions and events.

3. The Spanish city of Barcelona is more than 2 000 years old. It has many fantastic old buildings and is famous for the architect, Gaudi. His unusual stone and brick buildings are all across the city. Since the 1992 Olympics, you can also see many modern buildings in the city.

4. Sandwiches are a popular food in many cultures around the world. The word 'sandwich' comes from the Earl of Sandwich. He liked eating cold meat between two slices of bread, because he could continue working while he ate, but what is a sandwich degree?

5. With 7 billion people using the world's resources, there is a lot of pressure on food and water supplies. We use water for farming, manufacturing, drinking and creating energy. The average family in the USA uses 400 gallons of water every day. People buy 240 billion litres of bottled water every year. This is putting pressure on the world's largest lakes, rivers and seas.

6. Of course, lots of international students travel to America, Canada, Britain and Australia. But students are not just going to English-speaking countries - more than 200 000 international students are studying in China today. In Europe, the number of international students is going up too. They are looking for good universities with an interesting social life.
